# CIRCLES

Words & Music by  
**DENNIS A. WESTGATE**

In this, my third selection of songs, it wasn't difficult to choose this particular title, as you will notice that most of the contents 'revolve' around times past and present, mostly based on my own life experiences I might add.

We all eventually reach an age where we spend as much time in recollection as we do in contemplation and I am well able to draw on quite a few decades to illustrate this.

I'm sure there will be many shadows of a sad smile on certain lips, when you read some of my lyrics.

## CIRCLES

### THOSE EARLY MORNING BLUES

Can't face the morning  
 Don't wanna leave my bed  
 Can't stop this yawning  
 Just wanna rest my head  
 A new day is dawning  
 Feel like a hunk o' lead

*(chorus)*

**I've got the blues  
 The early morning blues  
 That will not go away  
 Why she walked out on me  
 She would not say  
 Without my honey love  
 Can't face another day  
 I've got the blues, those morning blues**

*(optional verse) It's so annoying when you are feeling low  
 A baby's crying, turn off that radio  
 All gloom and depression, don't really wanna know*

*(chorus)*

I've waited all night  
 To meet that friend of mine  
 We had a quarrel  
 But now I'm sure it's fine  
 Miss her so badly  
 It's been a long long time

*(chorus)*

**Those early morning blues**
